James Craig

How long have you been skating? I've been skating for about 18 years now. Favorite local spot? Favorite place

Local spot I would have to say 24 hour fitness ledges. Australia is my fave fo sho!

Why did you choose the colorway you did for your new pro model bolts from Upful?

you have traveled?

Well, for the simple fact that purple and gold are the colors of my beloved Los Angeles Lakers.

How do you stay Upful in everyday life?

I try to eat as healthy as I can, lots of fruit smoothies, homemade of course. I also try to stretch everyday and sometimes a little workout with a run on the elliptical. Just try to be happy and smile, it's life, have fun and live Upful. **Tell us about your new shoe from Power.**

The Laker is looking pretty good but it's just the first sample, so it will change a little but I am really hyped about it. Hopefully it will be on the shelves around the middle of 08.

What's up with Razor Sharp Crew dot com? They always have fresh news and footage from you.

James and Morgan Smith get their nosegrind on at GvR.

To see the footage log on to razorsharpcrew.com

Is Muckles aka "The Virus" even a threat to you at the poker table?

He can be when he catches a 4 outer on the river. He has won a few in his day, we'll leave it at that.

Favorite hand in poker?

Well my favorite hand would be J 10 suited. You can crack a lot of big hands with that one. Great now Mucks is going to play that hand against me and crack some kings.

Top 3 pros of all time?

Gonz, Guy Mariano, and Rick Howard.

Favorite 3 current ams?

Massimo, Mike Mo and Alex O.

Favorite local food spot in Fullerton/Brea? Favorite watering hole?

Well they could be one in the same, Stubbrick's Steak House and it's a few blocks from my place so no DUIs! (Ed. note: Beware of DUIs, kids.)

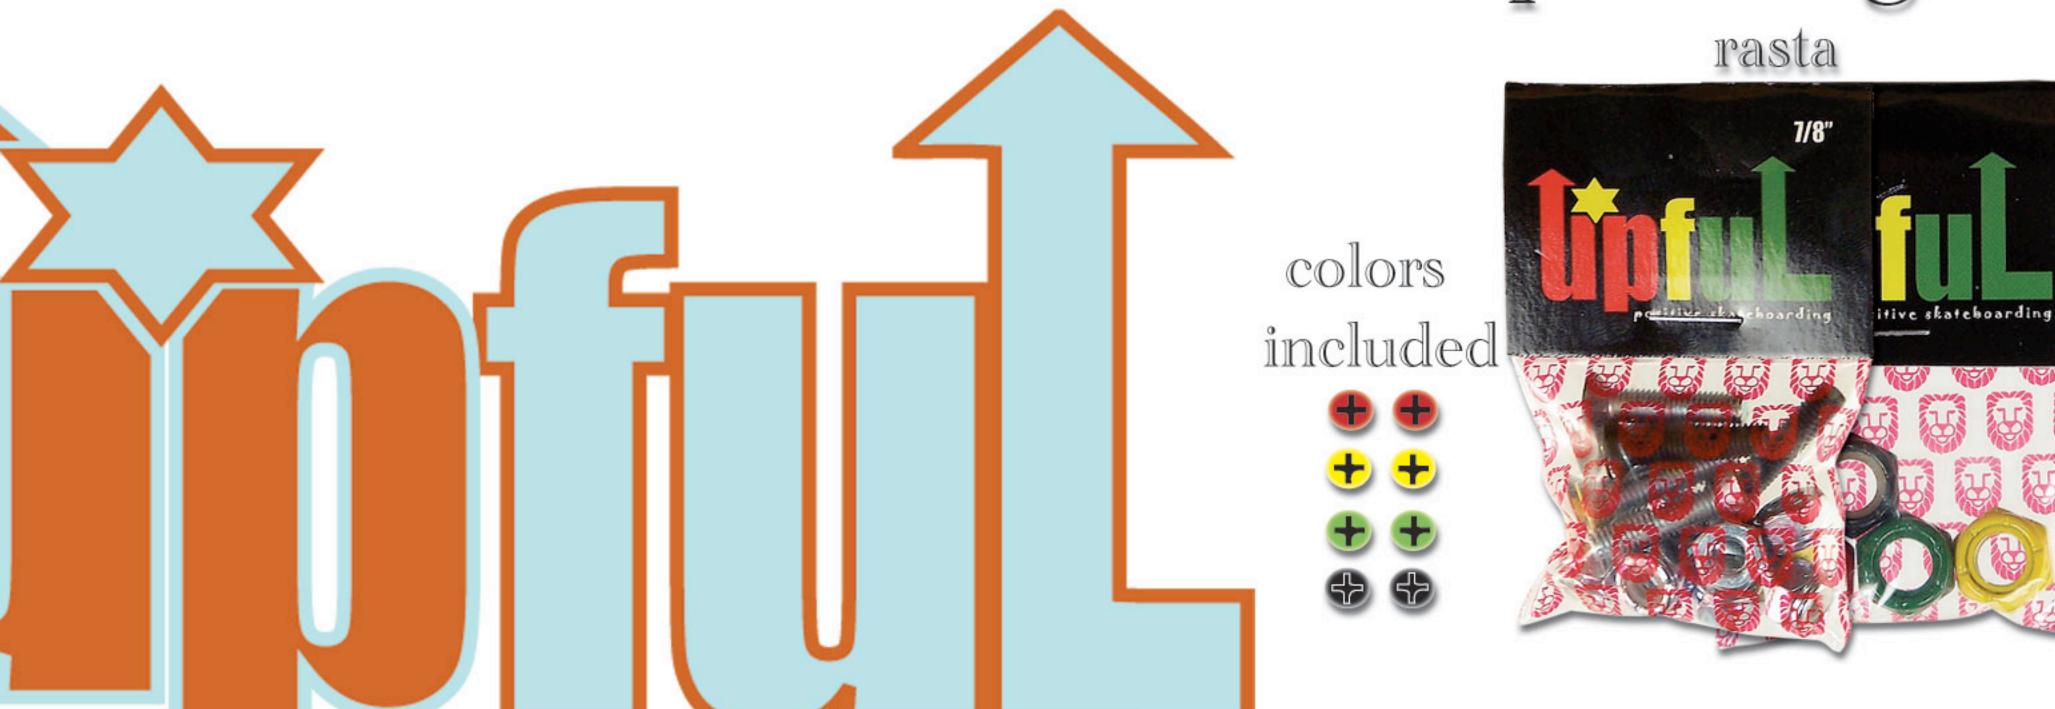

Dr. Dre and Jamie Lynn Spears versus Dr. Phil and Lavar McBride in a game of fusbol. Who is your money on?

Dr. Phil and Lavar for sure, Lavar is good at everything and Dr. Phil seems like he could talk some shit.

What can we expect next from Mr. James Clifford Craig?

Working hard on the new Blind video that should drop in the summer of 08 and the shoe. Going to be doing more with Razorsharpcrew.com like blogs and stuff. Oh yeah I almost forgot about the new Razor video (I want it to be Jub Jub's Revenge) to drop in the summer also. Hopefully traveling some more to hit cool and new spots in the 08.
